My dear Sir,

We returned this morning from our tour.

The two important letters which you have sent regarding the Chief Court and the proposed Agency in London, respectively, are receiving His Highness's consideration. I hope to be able to give you ~~an~~ some indication of His Highness's views tomorrow or the day after. The Chief Court question is no doubt a very pressing one, and a decision has to be reached on the question as soon as possible.

Yours sincerely,

s/ Mirza M Ismail
